Who is the New Albany Rotary Foundation and The Romans1 Foundation?

The New Albany Rotary Foundation and The Romans 1 Foundation are both 501 (c) 3 non-profit organizations devoted to serving our local communities and world.

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end. The Rotary Club of New Albany was chartered in May 2006 with the desire to serve our local community and world. We are grateful to be teaming up again this year with Romans 1 Financial Foundation to make a difference in the lives of many.
