Zero Waste Golf Tournament for
the Love of a Cleaner San Diego

ZERO WASTE POLICY

Zero Waste (as defined by the EPA) means the conservation of all resources by means of responsible production, consumption, reuse, and recovery of products, packaging, and materials without burning and with no discharges to land, water, or air that threaten the environment or human health.

GOLFER PARTICIPATION

- As a golfer, everything you receive will either be reusable, recyclable, compostable, or consumable.
- The only two bins placed out at the tournament are for recycling and compost. Bins will be placed for accessibility and convenient use.
- Please consider bringing a reusable water bottle for hydration.
- Every bin is labeled with what goes inside.
- Trained volunteers will be stationed at waste stations to assist in any questions and help divert materials to the right bins.
- A mobile scoring app will be used to eliminate printed score cards.
- Please do not bring any single-use plastic items.
- Carry in/Carry out for any other disposable items brought in to the event, and properly dispose of items after.

HOLE SPONSORS

- No single use plastics allowed.
- Everything used or distributed must be certified compostable, recyclable, or reusable. Don't worry, the experts at I Love A Clean San Diego are available to assist you with ensuring you have the proper materials.
- A volunteer team will inspect all the activations in the morning to make sure packaging is certified compostable or recyclable.
- Items provided to golfers must be sourced for utility and quality. Unnecessary giveaways are not permitted. All giveaways must be approved zero waste prior to the event.

FOOD & BEVERAGE

- Golfers will be provided with a reusable keepsake insulated hot/cold beverage vessel for water hydration during the day. Water refill stations will be placed around the course.
- All packaging for food and additional drinks will be certified compostable, recyclable, or reusable.
- Beverages must be sealed. Canned beverage or premade beverages in a sealed container e.g. Ball glass container with lid.

SPONSOR GEAR

- Items provided to golfers have been sourced for utility and quality. Unnecessary giveaways have been eliminated.

SIGNAGE

- The signage strategy was kept minimal and printed on recycled cardboard. Communication strategy will be heavily digital through the app and/or accessible through a QR code.
