WHO ARE WE?

THE HELLENIC CANADIAN FEDERATION OF B.C. CULTURAL & EDUCATIONAL FOUNDATION

The Hellenic Canadian Federation of BC Charitable, Cultural, & Educational Foundation proudly raises funds to:

- **To give and award bursaries to needy high school and post-secondary students in BC**
- **To award scholarships based on merit, to post-secondary students in BC**
- **To provide grants in aid of Canadian teaching and research institutions**
- **To establish educational programs, activities or projects related to the advancement of Hellenic Studies including Greek language, literature, history, and culture.**
- **To raise funds which will be used for the purpose of assisting poor and needy Canadians, and by establishing services for providing information on social, economic, and legal matters.**

The partner organization, the Hellenic Canadian Congress of BC is an organization that fosters education, communication, and cooperation between Hellenic Canadians and other ethnic groups, and promotes the development of just and equitable policies and legislation concerning all citizens. The Congress encourages and promotes the retention and development of Hellenism in British Columbia within the multicultural context of Canada.

As hosts of the annual Greek Heritage Month in June, the Hellenic Canadian Congress of BC proudly showcases many events during the month of June, including educational and cultural events, with the finale event Greek Day on Broadway hosted on the last Sunday of June.

ABOUT US

GREEK HERITAGE MONTH

Greek Heritage Month is an established brand and is one of the top festivals each year in the Lower Mainland, attracting over 100,000 people each year from all communities of Metro Vancouver. Guests of all ages enjoy the traditional entertainment, cuisine, educations, and vendors across the month of events.

Greek Heritage Month is a highly anticipated community event, supporting communities, businesses, and organizations local to Kitsilano and the Metro Vancouver area. The festival provides significant opportunity for brand exposure and high one-on-one engagement with consumers.

The finale event, Greek Day on Broadway is the largest one-day Greek festival in Vancouver. The festival aims to share the rich Greek culture which spans 2500 years of history, including over 100 years of social and cultural contributions to the City of Vancouver. A five-block stretch on West Broadway, from Macdonald to Blenheim, measuring almost one kilometer will be closed off to traffic to make room for a world of delicious Greek food and drink, market vendors, entertainment and live music offering a laid back, yet lively Greek atmosphere.

ABOUT OUR CHARITY

BC CHILDREN'S HOSPITAL FOUNDATION

BC Children's is the only hospital in the province devoted exclusively to the care of children. That means one million kids—including some of the sickest and most seriously injured—count on the hospital for specialized care they often can't receive anywhere else. Last year, more than 99,000 patients visited the hospital, including its acute care centre, research institute, mental health facility and other facilities.

Experts at BC Children's Hospital are world leaders in pediatric health care and are widely known for the specialized care, innovative therapies and ground-breaking research discoveries they're leading to improve the health outcomes of children across the province and beyond.

BC Children's Hospital is now one of the few facilities in North America with an acute care centre, mental health facility, research institute, and rehabilitation and developmental assessment centre—all on one single campus. With this newly integrated campus, our ability to directly translate research discoveries into clinical care—and vice versa—has never been greater.

BC Children's also serves the largest geographic region of any children's hospital in North America—almost a million square miles. The hospital offers travelling and virtual outreach clinics, as well as an expanded online telehealth program, to ensure more kids can get the care they need closer to home.

For these reasons and many others, BC Children's Hospital has consistently ranked among the top pediatric hospitals in the world for four years in a row, from 2019 to 2022.

Since 1982, our Foundation has been working to inspire people and communities to join our quest and raise the bar of children's health care. Your generosity helps change the lives of families today—from enabling new programs that deliver compassionate care tailored to the needs of children, to purchasing the latest innovations in equipment. And your support is changing the lives of families tomorrow—helping shape what child health can become—by fueling research aimed at conquering and ultimately preventing childhood diseases.
