Sponsorship Packages

August 22nd, 2022

Elm Ridge Golf Club

Who is Kurling for Kids

Kurling for Kids is a charity dedicated to improving the lives of children and their families at children's hospitals. We strive to raise funds to allow hospitals to provide leading edge medical treatments, programs and equipment for our children, which would otherwise be out of reach with current budgets.

Since 1999, Kurling for Kids participants raise funds by selling raffle tickets and collecting donations from family and friends. There are also dozens of affiliate events held each year with all proceeds going to K4K. What began as a very small gesture from parents wanting to thank a hospital has grown into a "feel good" event celebrating its 24th anniversary and having raised over $4.5 million since its inception.

Children's hospitals continue to require the support of fundraising events like Kurling for Kids that gives families, friends and supporters the opportunity to join together to make a real difference in the life of sick children.

Visit our website www.kurlingforkids.org for more information.
