What we're raising money for:

Every day, technology evolves. To provide our children with the best possible learning experience, Fairmount staff have asked for help integrating a new smart board technology that will change the way teachers can bring the world into each classroom. These innovative touchscreens will help teachers reimagine lessons as they allow more collaboration and connection in learning.

FIREBIRDS ON THE FAIRWAY

\$50 Donation Tournament Bag Contents

Mulligans (Do Overs)

(4 blue tickets)

Take a bad shot? Put the ball back on the tee (or more commonly set the ball back down on the green) and try again. May only be used once, please discard once used. It may be used by anyone on the team, does not have to be one ticket per person, team decision who and when the tickets are used.

Grenade Balls

These can be thrown, instead of hitting with a club, allowing better accuracy and an interesting spectacle on the course! The grenade ball does NOT count as a stroke. Once a ball has been used it must be discarded and not used again.

String it Out

This string may be used during play to improve a player's lie or even void a stroke. At any point, a player may move the ball the length of the string provided to any desired position. You may use the four pieces at the same time or individually, but once you have used the string it must be discarded and not used again during the round.
