

Alyssa Gagne Memorial Scholarship Foundation

Alyssa was a bright, beautiful, compassionate young woman beginning the career of her dreams as an O.R. Nurse at Faulkner Hospital when she died of a cardiac arrhythmia in March of 2005. Please help us remember her passion to help others, and to help others pursuing their desire for a career in healthcare. By contributing to Alyssa's Scholarship Foundation, one or more scholarships will be granted to Millis High School student(s) pursuing a career in healthcare.

We have made it easy for you to make this heartfelt contribution.
