As a sponsor, your company will benefit from exposure to a broad audience of golf enthusiasts and other local businesses. You can find our various levels of sponsorship within this package.

Your sponsorship will not only promote your business but also assist the Strathcona Community Hospital Foundation in its mission of supporting our valuable community hospital! Together, we are better as a community due to the services, support, and sacrifices of our hospital and staff. With your help, we will continue to support the work of the Strathcona Community Hospital as they deliver essential health care services to your family and ours.

If you are interested in becoming a sponsor or have any questions about our tournament, please contact us (contact information provided in package). We would be happy to discuss the different sponsorship options with you and find a package that suits your business's needs.
