- ◆ 25 State Cup Finalists
- ◆ 60+ players per year going on to the college level since 2007

The Fort Wayne United Futbol Club is a nonprofit 501 (c)3 organization that offers soccer development programs of all levels for kids in the Fort Wayne Community. In the past 10 years FWUFC has been able to help thousands of kids reach their goals of excelling in the game of soccer at the High School, College and professional levels while building a foundation of character that helps them overcome the challenges in life.

The United Golf Outing was created to help raise money for The Fort Wayne United Futbol Club Scholarship Fund. This fund has allowed hundreds of players who could not afford to be part of the club. This year we had a record number of applications for financial assistance. Our goal is to help each player with a deserving request. Your participation in the 2016 FWUFC golf outing will offer more players the chance to play the game they love.

Thank you for your contribution to help kids who truly need it.
