To Whom It May Concern,

This fall, the Jack Mac Scramble Golf Tournament will be held on Sunday, September 18 at Fairview Farms Golf Course. Proceeds are intended to benefit The ALS Association Connecticut Chapter.

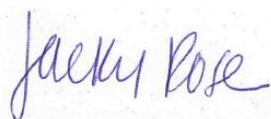

Events like this make it possible for ALSA-CT to serve over 380 ALS patients and their families per year. Connecticut ALS patients can take advantage of a wide variety of Chapter resources including individualized care and case management, support groups for patients and caregivers, an extensive Medical Equipment Loan Program, transportation assistance, and more.

ALSA-CT is a 501-C3 nonprofit organization. The tax ID is 04-3417472.
