Come support the youth in Gainesville/Hall County! All proceeds from The Gainesville Jaycees Charity Classic Golf Tournament will directly support Empty Stocking Fund and GUT CHECK Programs.

Our cornerstone project since 1955 has been the Empty Stocking Fund. We raise over \$30k annually to purchase gifts for approximately 250 children in our community. These children are recommended by their school counselors based on need, and all receive essentials (clothing, coats, and shoes) along with wish list items. Gifts are discreetly distributed to the recipient families at a bowling party, complete with a meal and a special visit from Santa to help bring in the holiday cheer.

Started in 1996, GUT CHECK was created by the Gainesville Jaycees to teach young men teamwork, discipline and leadership skills in a safe, structured, and high-energy environment. Throughout this weekend camp at Riverside Prep Academy, activities include rappelling, obstacle courses, and team building exercises, along with some keynote speeches from influential community leaders in Hall County. The weekend concludes with a graduation ceremony on Sunday morning with their families in attendance.

We thank every business and individual who has supported our programs for over 79 years. We look forward to continuing these programs through the generous support from businesses and sponsors like you. Please email Gainesville Jaycees gainesvillejcs@gmail.com or visit our website jayceesgolftournament.com.
