Dear Friends,

This year, for our 14<sup>th</sup> year in a row, you have come through in a BIG way to help us raise money for our charity. Due to everyone's generous support we were able to donate \$12,319 to The BackStoppers, Inc. Our total donations over the past 14 years has been well over \$140,000!

We were privileged to have members of Metro West Fire Department along with Chief Mike Kraus & his crew enjoying a day of golf at the beautiful Legends Country Club in Eureka, MO.

As is the case every year, we are indebted to the many companies, business partners, team members, accounts, vendors and friends who graciously support this event. A special "thank you" to the following companies and individuals whose generous donations helped to make the event a success:
