**Responding to Community Needs  
Through Volunteerism!**

## RSVP Mission

*RSVP improves the lives of vulnerable populations in the local community by focusing on education and wellness and by supporting nonprofits through skill-based volunteer programs.*

Throughout the Greater Philadelphia area, RSVP volunteers enhance their communities by improving the lives of more than 11,000 of their neighbors in need.

Daily, more than 1,200 volunteers take on roles to help disadvantaged preschoolers and their families, at-risk youth, low-income elderly, those with low-literacy & STEM skills, seniors needing guidance with Medicare and support to area nonprofits through ten RSVP program initiatives.

# BENEFITING RSVP LITERACY PROGRAMS

**Family Literacy**-Volunteer readers expose Head Start preschoolers to books and reading; parent literacy workshops offer intergenerational support. The Lucky Readers Club and companion materials is a home and school reading incentive program designed by RSVP.

**My Free Tutor**-Math and science tutors use an interactive web application to help underserved school students and veterans increase STEM literacy.

**STEM Career Awareness**- STEM Professionals make interactive school presentations throughout the Greater Philadelphia area to introduce students to exciting career pathways in math, engineering and sciences.

**America Reads**-Trained volunteers coach elementary school students with reading challenges so they are reading on level by grade 4. Early intervention programs prevent students from getting too far behind.

**5,250 children were helped  
through these programs**
