

Paul & Joplin

We are excited to continue this tradition in honor of our son, Paul Crouch (MacDonald)

Paul, a graduate of Port Huron Northern High School (1992) and Michigan State University (1998), lost his life in an automobile accident in 2001. We know his spirit lives on through all of us...in one way or another.

We are proud to have started a company in honor of our Paul – **Paumac Tubing**, started in November 2004, and was named "Paumac" in remembrance of our son. Our company will forever embody the spirit, heart, and integrity in which he lived his life.

Proceeds from this golf tournament will benefit a local charity to be announced the night of event at the awards ceremony.

We appreciate your support!
