TOGETHER, we Can Make A Difference!

The Sunrise Rotary Foundation Inc. proudly presents the 18th annual **Humanity in Motion Golf Scramble** on Wednesday, September 10, 2025, at the beautiful Stone Creek Golf Club in Oregon City.

While golfing on the course, you can participate in several events. A box lunch and dinner, and a chance to win prizes and awards will be provided.

Your support for this event will help our Foundation and the Clackamas Sunrise Rotary Club continue to **Make A Difference** in our local Clackamas County communities and schools, our country, and the world. Some of the projects, organizations, and people benefiting from monies raised by our **Humanity in Motion Golf Scramble** in the past are:

- Warm winter coats for elementary school students;
- Foreign Exchange opportunities to both send and host high school students;
- Father's Heart Street Ministry for the homeless;
- LoveOne Community Organization and its projects;
- Scholarships for high school students for continued education at a college or trade school;
- "Battle of the Books" which is a reading competition at elementary schools;
- Dictionaries for 3rd grade students;
- Clackamas Service Center's basic resource programs for low-income neighbors;
- Emergency shelters for families during a natural disaster anywhere in the world; and

How can you help? The **2025 Humanity in Motion Golf Scramble** needs **SPONSORS, TEAMS** and **PRIZES** to make this a successful event.
