18th Annual *Humanity in Motion* Golf Scramble

SCRAMBLE FORMAT

Men, Under 70, tee off from the WHITE tees. All women and men that are 70 and over tee off from the RED tees. The team will select the best shot and mark the location with a tee. Each member will take their second shot within one club length of the tee, not nearer to the hole. This process will be repeated until the selected shot is on the green. On the Green, the selected shot will be marked beside the ball and all players will putt it from there. Lies cannot be improved from rough to fringe, from fringe to fairway, green, or hazard. Each team must use two tee shots from each team member. Prizes will be awarded to the top three teams in two divisions based on team handicaps. A total of six teams will win cash prizes.

THREE MEMBER TEAMS

If you have a three-member team, the only playing change will be that each player must use a minimum of three tee shots. You must rotate the fourth shot between all players (a different player) for each hole.
