WHO ARE WE?

Since its founding in 1997 by the North Ward Center, Robert Treat Academy Charter School (RTA) has become a nationally recognized school of excellence. It was awarded the Blue Ribbon by the U.S. Department of Education. The Academy was one of only eight in New Jersey and 329 nationwide to win the coveted award. The school has been prominently featured on the DOE's website as a "high performing, high poverty school." RTA has earned Reward School status for the four consecutive years making it the only charter school in the state to accomplish this.

Robert Treat's students consistently score among the top ten percent of all students in New Jersey on statewide-standardized tests. Year after year, RTA's graduates receive scholarships to attend some of the most prestigious day and boarding schools in the nation.

For more information about Robert Treat Academy, visit the school's website.

ROBERT TREAT ACADEMY

Please join us for Robert Treat Academy's Eleventh Annual Golf Fundraiser. This year, proceeds raised will go to the James A. Pinaire Scholarship Fund. This fund was established in memory of James, a beloved teacher who passed away in 2014, to help the families of RTA graduates earn scholarships towards their high school tuition.

Robert Treat Academy graduates regularly get accepted to prestigious boarding and private day high schools from New Hampshire to Virginia. Although many of our students earn scholarships and financial aid to attend, the money awarded is not always enough to cover the full tuition. The purpose of this fund is to bridge the gap to ensure that our students do not miss out on a life changing opportunity.
