

TOURNAMENT RULES

SCRAMBLE RULES

- Each player will hit their tee ball to begin each hole.
- A minimum of 3 tee shots must be used by each player on the team.
- The team will choose the best shot and from that spot each player will hit their second shot.
- This format of choosing best shot will continue until completion of the hole and a single score is recorded.
- Once the ball is holed that constitutes the end of the hole and the score becomes final.
- Upon completion of the round, the 18-hole total will be the team's overall score.
- All tee shots will be from the white tee box, unless a red tee advantage is purchased for one hole.
