OUR STORY

Formerly known as IDiF (the Institute for Diversity and Inclusion in Finance), The iDAC Foundation is a nonprofit dedicated to expanding equitable access to capital and propelling economic justice, power, and influence. Our merger was announced in May 2024.

The iDAC Foundation recognizes that capital is the lifeblood of every industry. Because each sector has unique capital needs, we seek to unite and align diverse efforts. We're committed to amplifying and educating through thought leadership, coalitions, and resource sharing, illuminating the path toward a more inclusive financial sector.

Key Programs & Strategies

- Industry Research
- Educational Convenings
- Trustee Master Class
- Financial Literacy
- Mentorships and Internships in Finance
- Emerging Manager Database

ABOUT THE TOURNAMENT

The **iDAC Foundation Charity Golf Tournament** supports our mission to transform the finance industry by deliberately maximizing talent to drive stronger returns.

Proceeds from the tournament **directly fund the Foundation's key performance initiatives**, including Trustee Training Programs that enhance governance and fiduciary excellence; Financial Literacy efforts that empower stakeholders with the tools for informed decision-making; and the creation of high-impact resources like our Emerging Manager Directory and Data Reports.

The tournament draws an influential mix of attendees—**celebrity guests, asset allocators, trustees, consultants, and investment professionals**—who come together in support of a more inclusive, strategic, and innovative financial ecosystem. Through this work, the iDAC Foundation is helping to shape a future rooted in informed thinking, creative capital, and long-term sustainability.
