

ANNUAL GOLF TOURNAMENT

Please join us to support the legacy of Jane Edna Hunter's dream and vision—a vision she knew could not be sustained without the support of individuals, corporations, and the community.

The Phillis Wheatley Association (PWA) was referred to far and wide as the “Black YWCA” and was a prominent meeting place for leaders in the African American community.

From its genesis as a residence for young women, to its new focus in 1967 as a neighborhood center, on through its continuing evolution in response to community needs, PWA is a noted historic African American landmark in the heart of the Cleveland Community. Our mission is to strengthen and empower individuals and families to succeed and build a thriving community free from poverty by creating hope, opportunity, and action through innovative programs and collaborative services that focus on education and income building.

Amenities of your sponsorship can include excellent exposure during the event as well as in post event communications, prominent logo placement in printed promotional materials, day-of-event signage, and acknowledgement during the after-play reception. See package details as listed.

Thank you in advance for your support!
