

RULES OF PLAY

1. The tournament format is a four (4) person scramble, meaning that each person plays the best shot after everyone hits. Before each shot, the ball may be lifted, cleaned and placed within one (1) club length (not nearer the hole). The ball cannot be placed onto the putting green or out of any hazard, i.e., bunker, water or out-of-bounds area (from rough to fairway).
2. Each team member must use two (2) tee shots during the round. (Please designate whose drive was used on your scorecard).
3. Men play from the white tees; women play from the red tees.
4. Two mulligans may be used at any time and are limited to two per player and are non-transferable.
5. Out-of-bounds is designated by the "white" stakes, i.e., the driving range protective screen, and is all inclusive.

PRIZES

Gift certificates from the Country Club Pro Shop will be awarded this afternoon for the following:
