DRIVING FOR CHANGE 3RD ANNUAL GOLF TOURNAMENT APRIL 27, 2020 ST IVES COUNTRY CLUB

Join Pathways2Life as we are DRIVING FOR CHANGE in the lives of students in our community. Students are in the most danger for developing high-risk behavioral patterns between the ages of 13-20. They are surrounded by adults who care and have all walked through similar struggles, but they don't open up – leaving them in vulnerable places. Void of meaningful connections with adults, many students seek their own solutions. **Pathways2Life is building strong communities through meaningful connections with students** and we hope you will join us and "play a round" or donate online. We thank you in advance for your support!
