

WHY SPONSOR SHHS SOCCER?

As a non-revenue generating sport, SHHS is only able to provide about 10% of the Girls & Boys Soccer program's annual budget. Through our very active, parent-run Booster Club, our generous sponsors provide the funding necessary to give our student athletes a quality program by purchasing the uniforms, the gear, as well as covering a portion of costs for team camps and tournament travel. And you can feel good that your sponsorship benefits every one of our student athletes: Junior Varsity & Varsity, Girls & Boys. We believe that all of our teams working together and pooling resources can only benefit the quality and opportunity our program has to offer the current and future athletes of our community.

SPONSORSHIP OPPORTUNITIES

Our season provides numerous recognition opportunities for sponsors February through November, beginning with Boys soccer in the Spring and Girls soccer in the Fall. Please review our multiple sponsorship opportunities to the right to find what fits you or your business.

The Annual Swing for Soccer Golf Tournament in August has been a huge success. This type of event promises to build each year and become one of our main opportunities to raise awareness of our program, promote our sponsors, and get our athletes involved in a true community event.

HOW TO BECOME A SPONSOR

Simply visit HILLTOPPERSOCCER.COM to choose a sponsorship level that's right for you or your business and sign up to help make this the best season ever for Science Hill Soccer!
