

RULES OF THE GAME

1. **DRESS CODE:** Standard golf attire please.
2. **Winter rules will apply.**
 - You may move your ball up to 6 inches, but no closer to the hole with the ball being hand-placed in position.
 - The ball may not be moved from out of bounds or any hazard or from any different type of lie.
 - The ball cannot be moved out of the rough, or first cut, or to any better condition.
 - On the green, the ball that is chosen to be putted, must be marked and each ball placed on the exact position, no six-inch rule.
3. For teams of 3, each player will take two turns per hole. Please do not use the same player each time for each hole.
4. Play will be from tee 5 for men and tee 3 for women. Play will be “READY GOLF”
5. The format for the tournament is a scramble, meaning each player tees off, the best shot is selected, all players move their ball to that location and all players hit again. Again the best shot is selected and all players move their ball to the best shot location and continue play until putting out.
6. All putts must be putted out. There are no “gimmies”.
Each player will be limited to using 6 drives (do not include Par 3s). There will be no minimum drives required per player.
7. If there are any ties, money in the auction and prize money from NECA will be pooled and evenly divided among the winners.
