The Partners in Tourism – TIP Society was established over 12 years ago to foster future generations of tourism professionals through scholarships and awards, raised primarily through the annual Tourism Industry Partners Golf Invitational held in Whistler, BC.

We bring together industry members, affiliated partners, the business community, and family & friends for a jam-packed day of golf, beverages, good old fashioned rivalry, and socializing at the gala dinner and auction. T.I.P Golf promises to be a day of fun and philanthropy.

B.C.'s tourism and hospitality sector is a thriving and integral part of the local economy, generating a total of \$17 billion revenue in 2016 with current employment of 290,000. With increasing growth, this sector is experiencing a shortage of skilled workers and will require 110,000 new employees in the next 10 years.

Over the past decade, Partners in Tourism – TIP Society has provided funding for special projects including purchasing culinary equipment, advanced professional education, and financial assistance to hospitality students in excess of \$550,000.

JOIN US and together, we can build a better and brighter community.

Fore... **the LOVE of GOLF!**
