*Securing funding to advance academic excellence, provide scholarships, and enhance teaching and learning at Life Academy.*

---

Dear Donor,

Life Academy Education Foundation is a public charity that provides funding to support the mission of Life Academy, a PK-8<sup>th</sup> grade independent school in Bloomington, MN.

Life Academy, accredited by Minnesota Nonpublic School Accrediting Association (MNSAA), educates students using curriculum that meets or exceeds the state of Minnesota academic standards while also investing in building the character of each student through daily chapel, service projects, and multi-grade mentorship opportunities. Students at Life Academy also discover their gifts and talents through art, music, and drama programs.

Tuition rates are kept low to ensure that as many students as possible can attend Life Academy. However, as for most private schools, tuition alone does not cover the entire cost of education. The Foundation exists to secure funding to advance academic excellence, provide scholarships, and enhance teaching and learning at Life Academy.

Life Academy Education Foundation is hosting its first annual golf tournament on August 5, 2018 at Dwan Golf Club in Bloomington, MN. It will be a scramble format tournament on an 18-hole course. We invite your company to be a shirt sponsor, sponsor a hole, and/or donate prize merchandise for the event.

Please see the attached form for sponsorship details. Fill out the form indicating your willingness to be a sponsor or to donate prize merchandise. Note that your company name and/or logo will appear on our website and in the printed program at the event.

Thank you for your consideration to contribute to the Life Academy Annual Golf Tournament.

Sincerely,

Life Academy Education Foundation Event Planning Team  
edufoundation@lifeacademymn.org

Life Academy Education Foundation is a 501(c)3 non-profit public charity.  
Contributions are tax-deductible. *Federal ID 82-3286617*
